

The Peak to Peak Pedal is a remarkable five-day supported cycling adventure with overnight camping stops in Barstow, Ridgecrest, Lone Pine and Bishop.

Riders receive a custom cycling jersey, T-shirt, water bottle, goodie bag, all meals and break stops, basic mechanical and sag support.

Proceeds support children and adults with disabilities who come to the USARC to challenge themselves on snow, land and water, and transform those challenges into achievement, independence and self-discovery.

Please donate or register to ride or volunteer at...
